MUNICIPAL ENVIRONMENT AND NATURAL RESOURCES OFFICE

Mandate: The Office of the MENRO is mandated to ensure the implementation of environmental protection services of the Municipality by being the lead agency in-charge in developing plans and strategies to conserve, preserve and protect the environment and natural resources of Santa Fe.

Vision: Empowered citizenry in protecting our environment, centered in conserving our natural resources, for a clean, safe and healthy place to live in.

Mission: To strengthen the Local Government Unit Capacity on environmental management, empower people to do their equitable share in the environmental protection and conservation.

Organizational Outcome: Clean, Green and Healthy Environment delivered to the people of Santa Fe.

1. Supervised the daily solid waste collection and disposal. This year, the coverage of regular solid waste collection is expanded and now added Brgy. Agmanic. 5 Barangays are now covered by regular collection schedule while the others are serviced by request only.

2. Continuous plastic and glass bottles shredding activity are done to significantly reduce the volume of wastes and divert it to eco-bricks.

3. Participated in the Cave Assessment of Tabok Cave, Mat-i last March 1-3, 2023 together with the DENR as lead agency of the said activity and other concerned offices and stakeholders.

4. Assessed and inspected Resorts with other concerned offices that applied for Building Permit for possible environmental compliance and considerations to be taken.

5. Assisted Fish Cage Owners in their application of Certificate of Non-Coverage (CNC) for their respective fish cages.
